

Indian Basmathi Rice & Non Basmathi Rice

Rice is the seed of the monocot plants *Oryza Sativa*. It is the most widely consumed staple food for a large part of the world's human population, especially in Asia and the West Indies. It is the grain with the second highest worldwide production. There are many varieties of rice and most commonly are Basmati and Non Basmati. Basmati is a variety of long grain rice which is originated mainly from India. It contains natural aroma both in cooked and raw state. It is often used for cooking Biryani, Pulao, Fried Rice and sometimes Kheer. We can also supply Brown Rice and Broken Rice.
